

Friends of Raintree

Creating Special Memories for Raintree House Residents Since 1992

Since 1974, Raintree House has been providing a loving home-like setting for abused and neglected female foster children ages ten to seventeen. With a capacity to house twelve girls, Raintree House offers caring and loving guidance, helping the girls attain hopes and dreams they never had before. Every year Friends of Raintree supports this mission by helping create magical memories, such as providing funds to buy a cake, ice cream and present for each resident's birthday.

A membership with Friends of Raintree not only provides for birthdays, but other special occasions too. In the 2012-2013 year, Friends of Raintree provided holiday gifts and Easter baskets complete with plush bunnies. Friends was even able to purchase a brand new freezer for the Raintree House! All of these items help the Raintree House give residents a further sense of security, and most importantly, lets them embrace a childhood they may have never had.

Raintree House makes all holidays as special as possible for its residents. With the collected membership dues and donations, Friends of Raintree assist the staff by providing support for holiday celebrations. Each year, Friends of Raintree assist with a Holiday Party for residents. All of the girls receive winter jackets, gloves, scarves, gift cards, and other presents. Santa delivers the gifts, carols are sung, and lifetime memories are made.

Make A Difference in a Child's Life: Join Today

Payment for the 2013-2014 Membership for FRIENDS of Raintree is now open. Please use the form below to join or renew your FRIENDS membership and return it with your check to the address indicated below. If you are already a Lifetime Member you are not required to pay annual dues, but please consider making an additional donation to be another memory in a child's life. Thank you for your FRIENDship and support. Please visit www.raintreeservices.org to learn how Raintree is changing the lives of children and families.
